

2023 GRAND WAGONEER

FACT SHEET

The 2023 Grand Wagoneer builds on a rich legacy of premium American craftsmanship, heritage and refinement while offering an unparalleled level of comfort and legendary 4x4 capability. Grand Wagoneer offers an advanced powertrain lineup with premium driving dynamics and composed capability. The epitome of American comfort and craftsmanship, Grand Wagoneer's interior exudes refinement and elegance, offering a spacious third row as standard with seating for up to eight. Leading-edge technologies, including the advanced Uconnect 5 system, head-up display, 360-degree surround view and night vision cameras, up to 75 inches of total screen surface, available Amazon Fire TV and industry-first McIntosh audio system, offer an unmatched selection of premium interior features. Combining these attributes with strong SUV credentials, including best-in-class towing, the Grand Wagoneer builds on the original SUV by defining the next generation of an American icon.

NEW FOR 2023

- Grand Wagoneer receives new engine lineup for 2023 model year
 - o Grand Wagoneer Series II and Grand Wagoneer Series III powered by standard new Hurricane Twin Turbo 510 engine producing 510 horsepower and 500 lb.-ft. of torque
 - o Grand Wagoneer features 6.4-liter V-8 engine, rated at 471 horsepower and 455 lb.-ft. of torque
 - 6.4-liter V-8 engine available as no-cost option on Grand Wagoneer Series II and Grand Wagoneer Series III, when equipped with Obsidian Package
